

Elisette Weiss, BA, Project Coordinator, Turnaway Study. Elisette Weiss is the Project Coordinator for ANSIRH's Turnaway Study. Prior to joining the ANSIRH research team, Ms. Weiss graduated from Brandeis University with a BA in Health: Science, Society, and Policy; Sociology; and Women's and Gender Studies. At Brandeis, she led an award-winning sexual health counseling organization, Student Sexuality Information Service, as Group Coordinator. Ms. Weiss further explored her research interests in women's reproductive health and safer sex initiatives while studying abroad in Nairobi, Kenya. While there, she conducted an independent research project investigating community programs fighting HIV through sport and peer-led education. Ms. Weiss volunteers time as Client Services Coordinator at the Women's Community Clinic in San Francisco. Phone: 510-986-8952.
