

**Debbie Nguyen, Project Coordinator.** Debbie Nguyen is the project coordinator for ANSIRH's Turnaway and IUD Removal Options studies. She graduated from Mills College, earning her BA in Anthropology & Sociology with an emphasis in public health, and has a strong background in reproductive health and justice, as well as HIV /STD prevention and treatment. Prior to joining ANSIRH, Ms. Nguyen was a research associate for the PrEP Demonstration Project at San Francisco City Clinic, working with clinical staff to reduce rates of HIV transmission among MSM populations in the Bay Area. She has also worked with Planned Parenthood Shasta Pacific as a reproductive health specialist. Outside of work, she conducts outreach at the Mission Neighborhood Resource Center in partnership with the Women's Community Clinic. As a trainer for San Francisco Sex Information, she facilitates biannual human sexuality courses for professionals seeking sex educator certification. 510-986-8952.
